Integrity Data **Affordable Care Act Changes, Not A Repeal – Yet**

January 12, 2017 Integrity Data
Although there are plenty of headlines suggesting President-Elect Trump could repeal and replace the Affordable Care Act (ACA), it hasn't happened yet. In the meantime, businesses must continue to comply with the existing legislation. However, the IRS has made a slight change in deadlines and extended the good faith penalty relief to the 2016 information [...]

Package Price: ~~\$1,500~~ \$1,200

Contact: anya@erpsoftwareblog.com for full details.

Top 10 Benefits of Joining a Group Blog

- 1) More Content:** Group blogs post new articles at least 20x more often than individual blogs – driving more traffic to all members.
- 2) More Links:** Group blogs have thousands of back links. More links mean a stronger blog and higher SEO rankings for all members.
- 3) More Traffic:** Our first blog is up to 50,000 visitors a month with 20% average year over year growth. Thousands of prospects can view your articles.
- 4) Low Costs:** Partners share the cost, making it an inexpensive turnkey way to have access to a professional site with ongoing maintenance and improvements.
- 5) Share leads:** Get access to leads generated from site visitors, group funded whitepapers and pricing wizards.
- 6) Expert Training:** Take advantage of bi-monthly group training from a professional SEO expert focused on software partners.

Top 10 Benefits of Joining a Group Blog

7) Corporate Exposure: Our blogs attract attention from Microsoft (and other ERP vendors) leading to sponsored programs and ideas to build new features. Our blogs are syndicated and featured on multiple Microsoft sites for added exposure.

8) Build Credibility: Our bloggers are seen as social media leaders and receive invitations to guest post, write articles and participate in special campaigns or member projects.

9) Site Optimization: Our blogs are built with optimization plug-ins recommended by the top bloggers in the world. The sites are optimized for speed and load faster than 99% of other blogs to keep visitors on the site longer.

10) Be Heard: Our blogs create an open forum where you can write about competing products in an honest and authoritative way – and this really drives competitors nuts.

Recent Statistics:

ERP Blog Stats – May 2017

44,294 – Total Visitors for Month

2,083,656 – Total Visitors since June 2009

73 – Responses/Leads, including Quick Quotes, distributed this month

FAQ

1) Why is Interactive Limited and Anya Ciecierski the right team to manage this project?

Interactive Limited has experience working with 150+ software partners and is an approved Dynamics Marketing Services Bureau vendor. Anya Ciecierski is the Director of Marketing at a Dynamics VAR and has been in the channel for 16+ years. We know software partner goals, competition, keywords and resources.

2) Isn't it free to set up my own blog? What if I already have a blog?

Blogs require constant improvement, back-links, and a steady supply of fresh posts. Our group blogs have managers, editors, and developers who are constantly improving and maintaining the sites. Even if you have your own blog you can take advantage of the extra exposure.

3) Should I post on my own blog or the group blog?

We feel that successful companies will post on both their own blog site to build their brand, and the group blog sites to build their traffic. We realize that good content is hard to produce, so we can help you determine a strategy for where to post, depending on your goals. [Read this tip.](#)

4) What if I don't have anything to write about or don't have time to write?

We can offer suggestions for topics and writing skills as well as referrals and best practices for using outsourced writers. Every company has the skills to be great bloggers. See www.cwmktg.com/tips.

FAQ

5) How much does it cost?

The membership fee for each site is \$125 per month. Billed by credit card subscription on the first of the month by Interactive Limited. This is a month to month membership and can be canceled anytime with 30 days notice.

6) How many blog articles can I post?

You can post as many articles as you like, we encourage you to post at least one. We do ask that each article be unique content that has not been published before and we provide tips to do this effectively.

7) Is anyone else sponsoring this project?

This is an independent, Partner run and financed project, which gives us greater flexibility. Microsoft and the other software vendors actively encourage our efforts.

8) Why should I join now?

There are a limited number of partners allowed per state – our first blog sites have filled up quickly and currently have wait lists.

9) How did these blogs get started?

Read the full history, and the faces behind it, [in this blog post](#).

Member Testimonials

“I tested my search visibility today using both Bing and Google using various combinations of keywords and links to my posts in the ERP software blog came up in the **first five listings about 80% of the time**. Before that, even with Google Ad words, it was pretty hit and miss if our company would come up at all. So, THANK YOU!, the amount of increased exposure just from the blog is truly amazing.” *Barry Knaster, Knaster Technology Group*

“For a long time another local GP partner has been beating us in SEO ranking. But now, since the blog, the tables have turned. **While they are paying \$ for a sponsored link, we now has the top 4 spots in organic search.**” *Stacy Orr, CAL Business Solutions*

“Just got off the phone with one of our leads from the ERP blog, **we closed it!** Nine GP users, and it is a done deal 7 weeks after we got the lead!” *Tom Rogers, Intellitec Solutions*

“We just got **3 leads from both CRM and ERP blogs** we wrote – I am impressed by readership reach! Both called our office & specifically referenced either seeing the blogs we wrote. We have had 2 people call on this post already. So far in FY11 the number of new clients closed from our website has doubled over last year, and we know that is due in large part to our membership in the ERP and CRM Software Blogs.” *The TM Group*

“We wrote a post on the SharePoint Blog directing readers back to a white paper on our website. We have gotten **tremendous traffic and generated several leads** from the white paper downloads” *Julie Stankey, Socius*

“I was so excited to get such **quick results** with us actually posting on this group blog. We closed a deal from a Quick Quote lead we received. It was pretty quick and easy. The pricing in QQ was accurate and helpful!” *Leanne Diamond, Vertical Solutions*

“We spend a lot of money on Pay Per Click but I feel that the clicks we are getting from the blog sites are **better quality**, and are from business decision makers doing real research – all for a **much lower cost**. We closed our another one that was a Quick Quote lead from the ERP blog, that’s 2 new site sales in 4 months!” *Tom Rogers, Intellitec Solutions*

“Each month I can track the clicks from the CRM Software Blog to my website and connect that to new sales for **my add-on products**. Our product is getting in front of the right people.” – *Ryan Plourde, AbleBridge (now Crowe Horwath)*

Unsolicited Phone Testimonial

“We closed **3 new customer adds** as a **direct result of the ERP blog**. These prospects contacted us directly after finding us on the blog. So our membership has been a great success.”

Michael Medipor, ERT Group
